“We expect more people than ever to come this year” said Pastor Wayne Wilson Executive Director of Salt Lake City Mission. “This year we are seeing many newly homeless individuals. The economy, affects people already living on the edge, the hardest. We want to provide a Safe and Sober alternative for the New Year and perhaps some individuals will make a New Year’s Resolution for Real Change in their lives, by joining one of our long-term residential recovery programs.

“We expect to serve 2,500 meals.”
