The Lord has presented us with a very unique opportunity. The owner of our Men's Recovery Home, where we have housed our men's program since 1997, in West Valley City, Utah, has been foreclosed on. The building was sold on the steps of the court house on January 4<sup>th</sup>, 2011 and reverted back to the bank. We have tried unsuccessfully to give our rent payments to the bank, and even purchase the property from the bank. We have good credit and strong financials. However, the bank does not make commercial loans in Utah!

**We have received a letter from the bank requesting us to move by June 2011!**

In addition, on Monday May 16<sup>th</sup>, 2011, the owner of the building that houses the Mission's Recovery Program Class Rooms, Meeting and Counseling Rooms along with our Corporate Offices was sold and we have to move right away!!!

We are providing the needy with thousands of articles of:

- \* clothing,
- \* hygiene kits,
- \* blankets, etc. each month.

Providing co-pays for:

- \* prescription medication,
- \* dental emergencies,
- \* eye glasses,
- \* hearing aids, etc...

**But the crown jewel of our ministry is providing the homeless with a practical way out! Recovery Through:**

- \* Life skills classes,
- \* Mentoring,
- \* Bible Studies,
- \* Group secessions,
- \* GED prep,
- \* Vocational assistance,
- \* Schooling,
- \* Work therapy.

We are feeding the hungry every day! We are serving over eight thousand (8,000) meals a month. We are distributing pantry style food boxes to desperate local families.

But the most effective results come from the thousands of hours of personal counseling. Many of these results take place at the men's recovery home, in the program class and counseling rooms.

**"These men really need your help now. I can sincerely tell you every gift you give translates into helping someone in their moment of most critical need."**

**"If you could consider a special gift at this time it will be part of the miracle that we are expecting to transition to a new facility."**

**"I believe that God will turn this around for good. But we need you to stand with us right now! We need you to pray and I really need your special financial support!" Says Brad Jaques**

We have our eye on a replacement facility that might be the answer not just for these men but for many, many more. Perhaps you could be one of the 600 individuals to give \$1,000, or the 1,200 needed to give \$500 or the 2,400 to give just \$250.

However, a gift of any amount will greatly be appreciated and beneficial. Often times the small gifts add up over time to equal some of the much large ones.

**But right now we have to do something quickly.**
